

Target market and fair value statement

Managed portfolio service / Passive portfolio service / Sustainable Investment Service / Fixed interest service

This service is designed for clients who wish to delegate investment decisions but do not have specific portfolio requirements.

This service has been designed for the following target market:

Type of investor	- It has a minimum investment amount of £50,000 - Clients are classified as Retail Clients for the purposes of the FCA - We recognise that some clients, due to their personal circumstances, may require additional support in engaging with us. Canaccord Wealth are committed to providing support based on individual requirements to achieve good outcomes for all our clients.
Client's knowledge and experience	The service is designed for clients who have limited knowledge and experience of investments and those with previous knowledge and experience of investments.
Client's capacity for loss and ability to withstand loss	The service offers no capital guarantees and clients must have an ability to sustain capital loss.
The risk/reward profile of the service	The service offers five risk profiles for clients to choose from. Please refer to our booklet ' Our investment risk framework ' for further information.
Client objectives and financial needs	- The minimum recommended investment time horizon is five years - Financial objectives cannot be met using cash returns.
Negative target market	The service is not designed for: - Portfolios worth less than £50,000 - Clients that have no ability to sustain a capital loss, or require full capital protection - Clients with an initial investment time horizon of less than three years - Clients with investment restrictions or preferences including tax planning and types of investments - Clients who want contact with an individual investment manager - Clients who want to be actively involved in the day-to-day management of their investment portfolios.
Costs	For standard costs please refer to our website and fee schedule.
Distribution strategy	- Through external FCA regulated financial advisers or direct with Canaccord Wealth with advice - Through external FCA regulated financial advisers via selected third-party platforms with advice - Through internal Canaccord Wealth investment managers with advice or under discretion - Through internal CGWPL financial planners with advice.
Fair value statement	Canaccord Wealth has undertaken a fair value assessment of this service using internally selected criteria that meets regulatory expectations. These include financial and non-financial benefits, costs, peer group comparisons and customer feedback. The outcome is that the benefits to the client are achieved at a cost that offers fair value. Canaccord Wealth are committed to providing ongoing fair value for all our services and will be conducting annual assessments. We are aware that Financial Advisers have their own specific charges associated with the services they provide and that they will need to make their own fair value assessment of the overall costs once these charges are considered.

Investment involves risk.
