

Target market and fair value statement

Gilt portfolio - tailored discretionary investment management

This service is designed for clients who wish to delegate their investment decisions to a dedicated discretionary investment manager who will create a tailored portfolio. The portfolio may contain both complex and non-complex products.

This service has been designed for the following target market:

Type of investor	- The service is designed for clients who want an individual investment portfolio constructed to meet their specific requirements (i.e. fully tailored) - It has a minimum investment amount of £50,000 - Clients are classified as retail clients for the purposes of the FCA - The minimum recommended investment time horizon is three years - The service is designed for clients with investment restrictions or preferences, including tax planning and direct investments - Financial objectives cannot be met using cash returns - Clients seeking a portfolio of Direct UK Gilts - We recognise that some clients, due to their personal circumstances, may require additional support in engaging with us. Canaccord Wealth are committed to providing support based on individual requirements to achieve good outcomes for all our clients.
Client's knowledge and experience	The service is designed for clients who have limited knowledge and experience of investments and those with previous knowledge and experience of investments.
Client's capacity for loss and ability to withstand loss	The service offers no capital guarantees and clients must have an ability to sustain capital loss.
The risk/reward profile of the service	The service offers one risk profiles for clients. Please refer to our booklet ' Our investment risk framework ' for further information.
Negative target market	The service is not designed for: - Portfolios worth less than £50,000 - Clients that have no ability to sustain a capital loss, or require full capital protection - Clients with an initial investment time horizon of less than 2 years - Clients who want to be actively involved in the day-to-day management of their investment portfolios - Clients who want multi-asset investment.
Costs	For our fee schedule please contact your investment manager.
Distribution strategy	- Through external FCA regulated financial advisers or direct with Canaccord Wealth with advice - Through internal Canaccord Wealth investment managers under discretion - Through internal CGWPL financial planners with advice - Direct to retail private clients with advice.
Fair value statement	Canaccord Wealth has undertaken an initial fair value assessment of this service using internally selected criteria that meets regulatory expectations. These include financial and non-financial benefits, and costs. The outcome is that the benefits to the client will be achieved at a cost that offers fair value. Canaccord Wealth are committed to providing ongoing fair value for all our services and will be conducting annual assessments. We are aware that Financial Advisers have their own specific charges associated with the services they provide and that they will need to make their own fair value assessment of the overall costs once these charges are considered.
